FOR IMMEDIATE RELEASE

New Biolab to Open in Atlanta

GRACE Laboratories, LLC will open for business on Friday, January 12, at its facilities located on the DeKalb Medical Center campus in Decatur, 2675 North Decatur Road, Suite 212.

GRACE Laboratories, LLC is a manufacturing company dedicated to providing the community with in-vitro diagnostic test kits for traumatic brain injury and post-traumatic seizures.

The company was founded in November 2003 and is based on more than 14 years of R&D and laboratory service experience in the areas of blood assays for diagnosis of brain-related seizures and epilepsy. It works in cooperation with Emory University, DeKalb Medical Center and the State University of New York.

The facility's staff, comprised of ten scientists and administrators, is led by Robert R. Rhinehart, President. Mr. Rhinehart retired in 1999 from Merrill Lynch, Pierce Fenner and Smith as a First Vice President, after 31 years with the company. He holds a certificate as a Certified Investment Management Analyst from the Wharton School of the University of Pennsylvania and is a former member of the New York Stock Exchange Board of Arbitrators.

Georgia Lieutenant Governor Casey Cagle, DeKalb County CEO Vernon Jones and Dr. Bobbie Bailey are among the dignitaries and supporters expected to be on hand for the January 12 opening.
